Mit diesen Plattenwärmetauschern sind wir in der Lage unseren Kunden in Sachen Wärmetauscher jeden Wunsch zu erfüllen. Nach erhalten Ihrer Angaben können unsere Techniker mittels Computerprogramm einen Plattenwärmetauscher exakt nach Ihren Vorgaben errechnen. X-PWT's kennen im energieintensiven Bereich kaum Grenzen, deshalb sind sie für Großprojekte sehr geeignet. Auch im Niedrigenergiebereich können unter gewissen Voraussetzungen hohe Leistungen erzielt werden. Einsetzbar für private und öffentliche Schwimmbäder.

Con questo scambiatore a piastre siamo in grado di venire incontro a tutte le esigenze dei nostri clienti. Dopo avere ricevuto i suoi dati i nostri tecnici tramite un programma possono calcolare uno scambiatore a piastre esattamente secondo le sue prescrizioni. Gli X-PWT non conoscono limiti nell'ambito dell'energia elevata, essendo così molto adatti per grandi progetti. Anche nell'ambito di sistemi a bassa energia, sotto certi presupposti, si possono raggiungere potenze elevate. Inseribile nelle piscine private e pubbliche.

With this plate heat exchanger, we are able to fulfill our customers' needs regarding heat exchanging. After receiving your data, our technicians can calculate, through a computer program, a plate heat exchanger based on your exact specifications. There are almost no limitations for the X-PWT. That's why they are perfect for large projects. Under the right conditions it is also possible to achieve high performance with a low-energy system. Can be used for private and public pools.
